Notes For The Stalled

Create Change by Volunteering!

If you are looking for a way to broaden your horizons while benefiting you AND your community, look no further! Come check out one of our latest displays where you will find information on volunteering in the Cedar Valley, and a small selection of our many Library resources to help you find just the right fit for your talents. The display is located on the 2nd floor next to the Book Bistro!

February Art Wall

Take a look at the super-cool artwork on display during the month of February. The artwork of Chaveevah Banks Ferguson will be displayed on the Learning Commons Exhibition Wall located on the main floor of Rod Library. Chaveevah's artistic style is described as whimsical and colorful. The scenes she paints are filled with day-to-day activities and people that display elongated proportions. "I like the suggestion of movement because there's something fluid about motion," said Ferguson. The artist is originally from Chicago and now lives in Waterloo, IA. She earned a Bachelor's in Public Relations and a Master's in Communication Education at UNI. "Colored Women" is the title of the artwork shown.

with day-to-day activities and people that display elongated proportions. "I like the suggestion of movement because there's something fluid about motion," said Ferguson. The artist is originally from Chicago and now lives in Waterloo, IA. She earned a Bachelor's in Public Relations and a Master's in Communication Education at UNI. "Colored Women" is the title of the artwork shown.

RodCon Art Submissions

The "Wall of Comic Art" will be on display in Rod Library during the month of March promoting RodCon 2017. RodCon is a mini comic book convention where people from all areas of life can meet and celebrate their love of comics, graphic novels, pop and geek culture. UNI students, faculty and staff, as well as Cedar Valley artists, are invited to submit comic artwork for the exhibit. Art submissions can be any 2-D medium; and artists are encouraged to title their work. Deadline for submissions is March 1. For more information, contact julieann.beddow@uni.edu, or call 319-273-6252. Artwork shown is created by Rod Library's student assistant Josh Dhainin.

1st Floor Changes

As you may know, the Compact Shelving units on the first floor have been experiencing mechanical failings. In an effort to alleviate the problem, you will notice some furniture/shelving changes in the next semester. Static shelving will be constructed, and periodicals shifted to allow access. We hope this temporary solution will be resolved in our upcoming renovation. Thanks for your patience.

Can't Find a Computer?

Have no fear, the Rod is here to help. Room 373 will be available for your use after 5pm on most days. The room contains 32 extra PCs all equipped with Windows and Adobe products. No reservation needed!
